Instantly Manage Four Peripherals with a Single Press

essentials 2 X 4 USB 2.0 Sharing Switch **US4224**

All references to and depictions of compatible products, including those produced by Apple, or Elgato, are for compatibility demonstration purposes only, not intended to suggest any endorsement or sponsorship by or affiliation with those product manufacturers.

The ATEN 2 X 4 USB 2.0 Sharing Switch is preferred and general-purpose when peripheral sharing between computers is essential. Productivity, flexibility, and security are the key benefits for USB peripheral connection to computer systems. This device is quiet, compact, and easy to use, with a single press, it can be used to manage multiple devices.

Sleek.

Compact.

Portable.

Share All Devices with One-Button Switch

Flexible Bus-Powered Design

The switch automatically powers on when connected to a computer. For setups involving power-intensive peripherals, an auxiliary USB-C port is available to connect a power adapter, guaranteeing stable performance and reliability.
